

## PORTABLE AIR CLEANER - UNI Series

The perfect solution for fume extraction.

**Features:**

- High Filter Efficiency (<99.5%)
- Portability (Trolley Mounted)
- Low Noise Level (70dBA) : Like office condition
- Easy Maintenance: Reduce downtime and save cost
- Large Operating Area: 3 metre articulated arm of diameter 160mm to reach tight corner

Model	Suction Airflow (m³/h)	Filtration Surface (m²)	Filtration Efficiency (%)	Motor Power (kW/HP)	Power Supply (Volt)	Noise Level (dBA)	Dimension: L x W x H (mm)	Total Weight (kg)
UNI 2.0	1,480	14.5	99.5	1.1 /1.5	230 / 50	70	800 x 600 x 1,200	105

Replacement Filter for UNI 2.0		
FILTRATION STAGE	TYPE AND NAME	PRODUCT CODE
A 	Metal Filter Cell	3971CP (Consists of A, B and C)
B 	Corrugated Filter Cell	
C 	Glass Microfibre Rigid Pocket Bag Filter	
D (Optional) 	Carbon Filter	3971CP-1

All filters used are tested and certified to the standards EN12127 - EN12127 A1 - EN12127 B1 - EN12127
